SEWER PROJECT UPDATE

As of October 16th, all sewer pipes have been installed on Cedar Lake. One section of pipe failed the air test on Shore Lane which delayed the startup of the final pump station. The air leak was located and is being repaired and final hook up notices will be going out in early December. All paving and concrete work is still scheduled to be completed this year. Miscellaneous restoration is being completed around the lake and will continue as weather permits. Please let your area reps know of any specific restoration needs (i.e. damaged mailbox, driveway, etc.) so we can compile one list of all remaining issues. This will allow for the most seamless restoration process possible. Also, all residents who have already received their notices

to hook up to the sewer will be held to their 90 day time frame as noted in their notices. Due to the delay in the completion of Shore Lane Drive and the startup of the final pump station, those residents will be issued notices to hook up to the sewer by May 1, 2015. Residents with septic issues are encouraged to hook up as soon as possible. ❀

Cedar Notes...

Republic Waste Services offers "Single Stream" recycling pickup for lake residents every other Monday. Contact Rob Hogan at 269-217-6079 to participate.

Burning leaves or campfires next to the lake provides phosphorous which stimulates weed growth. Please do not burn near the lake.

All residents are encouraged to support the advertisers whose fees are helping to defray the costs associated with this newsletter. To place your ad call Patti Kane 312-399-9966.

BOAT PARADE 2014

The Cedar Lake boat parade over the 4th of July weekend was a wonderful patriotic celebration with about 25 participants that were all proudly decorated in red, white and blue. There were pontoon boats, ski boats, waver runners and even a kayaker! All the participants were winners, but the Mason family won the traveling trophy to be kept until next year when a new winner will be chosen. ♣

Eggnog Coffee Punch

- 1 1/2 cups coffee ice cream
- 1 1/2 cups eggnog
- 1 cup coffee (strong works best)
- 4 tbsp whipped topping
- 4 pinches ground nutmeg

Scoop the ice cream into a pan over low heat. Stir in the eggnog and coffee and heat until warm, about 3 minutes. Pour into four coffee mugs. Top each with 1 tbsp whipped topping and sprinkle with nutmeg. Serve immediately.

Enjoy the holiday season!
